## Day 1 Page 2

What makes us different:

- Curated Styles: Mid-century modern, minimalist, industrial and bohemian options.
- Sustainability: Eco-friendly materials and responsible sourcing.
- Affordable Pricing: Direct partnerships with manufacturers.
- Personalized Service: Virtual design consultations and AI-driven recommendations.
- Unique selection: Exclusive and limited-edition furniture pieces.

Example: At Furnish & Find, we believe in stylish and comfortable living for everyone. Our curated collections balance trend and affordability while supporting sustainability.

step 3: Data Schemas:

### 1) Products:

Product Id (12cf)  
Product Name (sofa)  
Category (Living Room)  
Price (500 dollars) (discount) (voucher)  
Dimensions (80x36x32 inches)  
Color (Gray)  
Stock Availability

### 3) Customers

Customer Id  
Name  
Number  
Email  
Address  
Order History

### 2) Orders:

Order Id  
customer Id  
Product Id & Quantity  
Cost  
Status (Pending / Fulfilled)

### 4) Delivery Zones:

Zone Name  
Coverage Area  
Driver List  
Estimated Time

## Furnish & Find (Ecommerce)

### Step 1: Purpose

Furnish & Find aims to offer stylish, sustainable and affordable furniture for every home.

### Step 2: Business Goal

#### Problem Solving:

- Lack of Quality, Affordable Furniture: Many struggle to find stylish and durable furniture at fair prices.
- Sustainability Issues: We curate eco-friendly collections and support ethical manufacturing.
- Limited customization: Our platform offers tailored furniture recommendations and design solutions.

#### Target Audience:

Homeowners, renters, interior design enthusiasts and businesses looking for stylish, sustainable and budget-friendly furniture.

#### Product Offers:
